3690 - New England Gas Co. – This docket relates to the Commission review of the company's Distribution Adjustment Clause. Discussion of this docket was postponed until next open meeting.

3739 – Narragansett Electric Co. d/b/a National Grid – National Grid's filed to implement a rate reduction to the Standard Offer rate, from 10.0¢ per kWh to 9.4¢ per kWh, for effect May 1, 2006. The company subsequently modified the rate based on updated data on fuel prices and predicted higher prices in the coming months. National Grid proposed to lessen the reduction to 9.7¢ per kWh. This would represent an overall reduction of \$1.56 on a typical residential monthly bill. The Division filed a recommendation to defer a decision

for the purpose of continuing to monitor fuel markets and keep the current rate in effect.

After review of the filings by National Grid and the Division, the Commissioners were in agreement that it would best serve the ratepayers to maintain the current SO rate at 10.0¢ per kWh in order to maintain rate stability, specifically, at this time when fuel prices are volatile and uncertain. Chairman Germani moved to suspend National Grid's proposed rate filing to further monitor fuel costs and directed National Grid to provide update data by May 25, 2006. Commissioner Holbrook seconded the motion and the motion was unanimously passed. Vote 3-0.

The open meeting adjourned at 2:25 P.M.
